Trenton Jan^y 9 1879

Your of Derrick came to hand - I had not seen
Mr. Remyans. extraordinary. and may say very Extra-
ordinary Advertisement. untill this moment - and cannot
understand what some Gentlemen at head of N. W. Departm^t,
means - and think an. Advertisement. from your. counter-
manding Mr. Remyans - or rather forbidding him to Act in
this State - would not be amiss -

In haste

I am your Friend
